#### **COPY OF FORM 990**

(TO BE USED, OR COPIED, FOR)

## \*\*PUBLIC INSPECTION ONLY\*\*

#### **NOTE**

Under Internal Revenue Regulations, tax-exempt charitable organizations generally must provide requesters with <u>COPIES</u> of:

- > Its approved exemption applications, all required attachments and any related correspondence with the IRS, and
- > Its three most recent annual information returns (Form 990), including all schedules and attachments (but not the names and addresses of contributors).

<u>In-person requests:</u> A member of the public may request to inspect the documents at any principal office of the organization. The entity must provide the information requested that same day. However, if the request places an "unreasonable burden" on the organization, the staff must provide copies of the requested information no later than the next business day after the unusual circumstances cease to exist (limited to a maximum of five business days after the request).

<u>Written requests:</u> Written requests made by fax, mail, email, or overnight service, which include the requester's address, must be honored within 30 days of receipt.

Website alternative: Instead of providing copies, an organization may make the documents available on either its own or another organization's website. If it uses this option, it has to: (1) provide an exact replica of the document as was filed with the IRS; (2) advise requesters how to access the forms on the web; (3) the site should charge no access fee and require no special software or hardware to download. Organizations that post this information on the Internet still must honor in-person requests to view the applicable documents.

<u>Permissible charges</u>: Tax-exempt organizations may charge a reasonable copying fee, up to \$1 for the first page and 15 cents for each additional page, plus actual postage costs.

**Penalties:** An organization that fails to comply with the new disclosure requirements may be subject to the following penalties:

- Annual Information Return Form 990 \$20 per day for as long as the failure continues, up to a maximum of \$10,000 for each failure to provide an annual return.
- Exemption Application \$20 per day with no maximum.
- An organization that willfully fails to comply with these public inspection rules can be subject to an additional \$5,000 penalty.

**Private foundation exempt:** The new disclosure rules don't yet apply to private foundations. They must still make a copy of their annual return available for public inspection at their principal office for a period of 180 days after publishing a notice of availability.

**Donor Information:** Please note that donor information is not open to public inspection and has been excluded from this copy.

Excel spreadsheets are utilized that itemize and categorize all
programmatic expenses by agenda and/or program. All details inclusive of
salaries, maintenance, food, fuel, utilities, school fees per child,
cell-phone use, internet, school supplies, training materials, farm
inputs, staff development, general operations, and specific ministry work
are meticulously recorded. All expenses are affirmed and supplemented
with verified receipts. Trained accountants and bookkeepers on staff in
Kenya, Tanzania, and DR Congo compile the monthly spreadsheets and
generate monthly expense reports. Those reports are then reviewed by the
national executive teams to confirm the financial honesty of all
operations and programs before submission to the ELI Director of
International Implementation ahead of subsequent distribution(s) of
funds.
Budgets are compiled annually and funds are distributed/granted to ELI in
Africa monthly, upon review and approval of the prior month's report(s).
Documentation of all financial activities is paramount for Empowering
Lives International. Funds are sent to national offices for the work in
Africa. Local financial controllers and/or directors only release funds
to programs once all prior expenditures and reporting have been approved
and accepted by the relevant accounting department.
All international work and financial operations undergo a full
independent audit as required and/or regulated by the national
governments of Kenya, Tanzania, and DR Congo.

and a new course in life. In many cases ELI partners with village
churches to empower their congregations and pastors. ELI's holistic
approach includes programs and services to address issues including
alcoholism, HIV/AIDS, and care for orphans. ELI also operates two
orphanages which serve as homes for over 330 orphans, as well as a
school that offers a primary education to over 200 children from the
orphanage and local community.
South Sudan
For the people of southern Sudan, war has been a way of life for over
20 years. With the establishment of the new country of South Sudan, ELI
provides life-changing skills through extension training to help
empower this new nation. ELI also helped establish a Christian school
in 2005 which is 20 miles from Bor, near the upper Nile River. The
elementary school is now managed by the local leadership and community
and averages around 200 children from kindergarten through 8th grade.
All programs for South Sudan are now financed through programs in Kenya
as South Sudanese community leaders are trained, equipped, empowered,
and commissioned through ELI's International Extension Program based
out of Kenya.
